Hello readers

:D I'm proud to present to you the first chapter of volume 3! I finished this chapter in one day so don't blame me if there are mistakes.

I'm working really hard on volume 3 so please wait patiently. The next chapter might be out tomorrow! :P If I feel like it. Cause I have a couple tests coming up and I have to study!

Also, it makes me kind of sad because it seems some people aren't reading the message I put here. So let me put this big so everyone can see.

I am working on Ultra Cute vol 3 and 4 so unless I say otherwise, the chapters will come out eventually!!!!! The later chapters might not be as good cause My photoshop expires in 5 days but I will still try to upload the chapters! Be patient!
